

Agricultural Use Survey

Runnels County

The information provided is for local productivity property value. This survey is used, in part, to determine productivity value within Runnels County for property owners receiving an agricultural exemption which is based on productivity within Runnels County. You are being asked to complete the survey to help us stay current on the rising cost to maintain your land's local value. **Without this survey being completed and returned, your appraisal district will have to use State value in lieu of local productivity value.**

Name _____

Total Acreage _____

Date _____

Complete the section(s) below that apply to your agricultural use:

Native Pasture and Improved Pasture; Cropland; Cotton; Sorghum; Wheat; or Milo.

Failure to return this survey could result in the cancellation of your agricultural use determination (ag exemption). The district must have this information to continue local agricultural value.

Please note that the information you provide is for the property tax year 2022
